BELKIN

Stylus For Tablet

Turn Your Touch Screen Into a Canvas or Notepad

Part # F5L097cw

Turn Your Touch Screen Into a Canvas or Notepad

Scribble and Sketch
Designed and weighted like a high-quality ink pen, the Stylus feels great in hand and is perfect for writing and drawing directly on your tablet or mobile phone. The rubber tip glides smoothly over any tablet screen so you can seamlessly jot down notes and illustrations.

Keep It Handy
The Stylus clip is specially sized to attach easily and securely to a folio. Whether you're in the office, at home or out and about, it's convenient to take along with your device.

Features

- Pen-like feel in hand
- Tip glides over screen
- Easily clips to a folio
- Works with capacitive touch screens
